TE2027

34th International Conference of Transdisciplinary Engineering

INTEGRATE • COLLABORATE • INNOVATE • IMPACT

Transdisciplinary Engineering for Human-Centred and Intelligent Futures

Advancing the convergence of Human Intelligence, Artificial Intelligence and Engineering for Societal Impact in the Era of Digital Transformation.

5-9th JULY 2027

https://te2027.digit-madeira.pt/

VENUE

VidaMar Hotels & Resorts
Madeira, PORTUGAL

WE WELCOME CONTRIBUTIONS FOR:

- Workshop Proposals
- Full Papers & Posters

General Chair:

- Ricardo Jardim Gonçalves, *CTS-UNINOVA*

Conference Co-chairs:

- João Martins, *NOVA FCT*
- Maria Marques, *IDEA*
- João Pedro Mendonça, *UMinho*

IMPORTANT DATES

11 • JAN'27
Abstract Submission Deadline

15 • FEB'27
Abstract Approval Notification

01 • MAR'27
Workshops Proposals Deadline

16 • APR'27
Full Paper Submission Deadline

17 • MAY'27
Notification of Acceptance

14 • JUNE'27
Camera Ready

GENERAL TOPICS (not limited to)

- New Product/Service Design and Intelligent Technology
- Team Working
- Smart Operations for Value Chain Management
- Digital Engineering
- Transdisciplinary Approaches to Engineering and Management
- Pedagogy in Transdisciplinary Engineering
- Global Issues and Sustainability in Transdisciplinary Engineering
- Theoretical Contributions
- Cross-cutting Applications and Case Studies

ORGANIZERS

UNINOVA · CTS · IDEA unlocking the potential of tomorrow · NOVA FACULDADE DE CIÊNCIAS E TECNOLOGIA · Universidade do Minho · ISTE International Society of Transdisciplinary Engineering
